

Bringing the Great Commission Home

Healthy Church

NETWORK

A division of Biblical Ministries Worldwide

Introduction

Healthy Church Network is a team of autonomous churches working together to plant doctrinally and philosophically aligned churches across America.

Our mission is to help churches deploy pastors to start and revitalize healthy local churches. We offer a broad network, exceptional training, and a solution for financial roadblocks to enable us to plant churches more effectively for God's glory

We want to do MORE!

"I will build my church." –Jesus in Matthew 16:18

THE GOAL: STARTING MORE HEALTHY CHURCHES

Scripture teaches that God's work in the world is accomplished primarily through the local church. Yet, the evangelical church in America is struggling.

- Over 80% of American churches have plateaued or are in decline.
- For the last 20 years, more churches have closed than opened each year.
- COVID made the situation immeasurably worse.

The need in America is overwhelming. Our neighbors, coworkers, and family members are perishing. Each generation is more secular and confused than the last. But the opportunity this creates is astounding. We must respond to America's need with prayer, faith, and gospel vision. We need to see revival at home, not just abroad. And we need to reseed the United States by planting vibrant, evangelistic churches.

THE WORK: TRAINING MORE QUALIFIED CHURCH PLANTERS

Churches plant churches. You won't find the words "mission board" or "network" in your Bible. But Biblical Ministries Worldwide and the Healthy Church Network are uniquely equipped to help churches plant churches.

We're ready to assist churches through a five-step sending process:

IDENTIFY

ASSESS

TRAIN

DEPLOY

SUPPORT

THE EXPERTISE: ACCOMPLISHING MORE WITH BMW'S EXPERIENCE

Healthy Church Network is a new division of Biblical Ministries Worldwide.

BMW has been launching church planters to the world's most difficult places for almost fifty years. We have missionaries in over sixty countries, and we're in a season of significant growth. We already have an exceptional team of missiologists and support staff. And thanks to our doctrinal and financial integrity, we're trusted.

But the key to HCN's success is a coalition of healthy churches, not a mission board. Your help is essential in raising up church planters, training them through internships, and then launching them into new ministries. The church is central to this great work!

THE PROVISION: CULTIVATING MORE EFFICIENT SUPPORT

A key part of this new endeavor is the pooling of financial resources. If only 200 churches and individuals were to partner with HCN for just \$200 a month, we would have nearly half a million dollars to invest in church planting. We are praying for many more partners, resulting in a generously provisioned “war chest” to use in this great work. The potential is immense.

We’re praying for two kinds of support:

IMMEDIATE ONE-TIME GIFTS

Help us get this new ministry off the ground with seed capital.

ONGOING MONTHLY SUPPORT

Help us provide sustainable and strategic support for church planters.

THE ROSTER: FOSTERING MORE COLLABORATIVE MINISTRY

The word “network” in our title is very intentional. We’re not a denomination. We don’t have a membership. Instead, we’re a ministry co-op whose aim is to make church planting more efficient by getting like-minded believers to work together. We're grateful for a growing roster of leaders and churches who are standing with us.

This mammoth endeavor can’t be done in isolation. There is a groundswell of faithful pastors and churches who value their autonomy, but who also long to be part of something bigger than themselves. There is an “itch” for community and collaboration—not just getting together to blog or talk or read a book, but working together for gospel advance! In response to that desire, Healthy Church Network is fostering ministry partnerships around a robust doctrinal statement. We can do this—and we can do it better together!

THE FUTURE: GATHERING MORE PARTNERS FOR AUDACIOUS GOSPEL ADVANCE

1

As a first step, we invite you to sign our “HCN Roster” —a public indication that you ALIGN with HCN’s doctrinal statement and RESONATE with HCN’s work. We’ll be in touch about upcoming seminars and ministry progress. This doesn’t obligate you to do more in the future, but it serves as a rallying point for like-minded churches and leaders.

2

Start the process of adding HCN to your church’s regular missions budget for monthly giving, whether that’s for \$100, \$500, or more.

3

Most importantly, pray with us for success in this endeavor, for God to launch more laborers, and for our work to result in new believers, new disciples, and new churches.

4
